**May 2009**  
**Circulation: 2,400/month**

**snag this: my five essentials**

**Products mentioned in the video:**

**Kenneth Mark, M.D. Anti-Aging Mask with Lipoic Acid, \$55:** is a deep pore exfoliating and hydrating treatment guaranteed to restore your skin's natural glow. For someone with combination skin, its trifecta of exfoliants - citric, lactic, and malic acid - not only deeply cleans your pores, but it also stimulates collagen growth! Click [here](#), [here](#), and [here](#), to learn more about astaxanthin.
